MEMORANDUM FOR: Director of Central Intelligence

STAT

FROM: Deputy Director
Center for the Study of Intelligence

SUBJECT: OSS 1942-1945, A Memoir

1. I have been told that you are considering the publication of an extensive memoir based on your experience in OSS.

2. A colleague, who sits on the Publication Review Board, advises me that the draft has been referred to the Classification Review Division for consideration. If that review should result in a finding that significant parts of the draft are sensitive and must remain classified or that extensive revision may be necessary to permit outside publication, then you might wish to consider submitting the draft to the Center for the Study of Intelligence of the Office of Training and Education for publication on a classified basis.

3. We would welcome an opportunity to see the draft.

REMARKS		

Marie,

I checked with OTE - both [] and [] saw the attached memo. Under ADM Turner, the Center wrote directly to the DCI but routed the correspondence thru the DTE and DDA.
